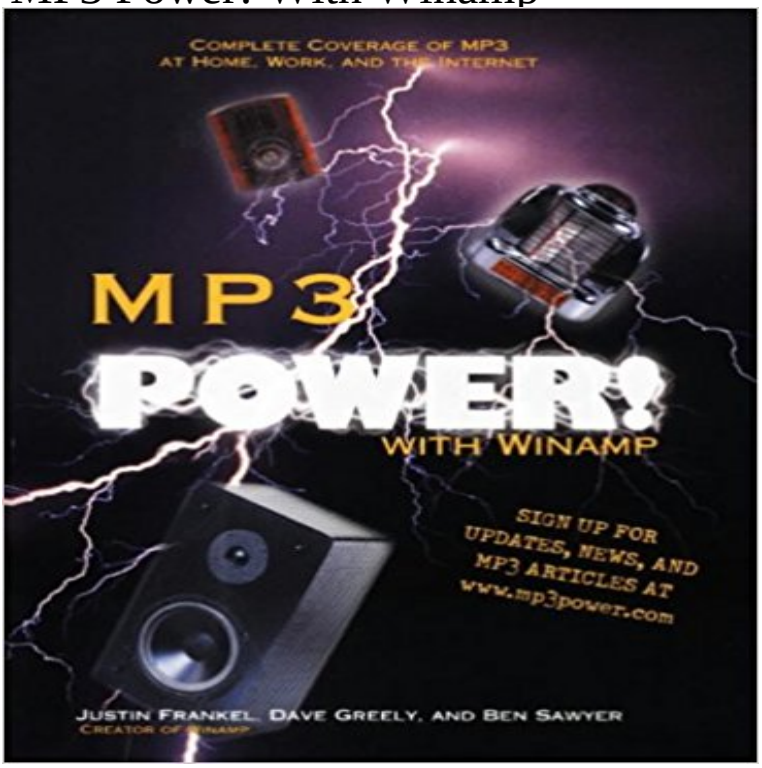
# MP3 Power! With Winamp



Co-authored by the creator of Winamp, MP3 Power with Winamp is the most complete guide to understanding and using MP3 technology effectively. Youll learn how to find, create, and optimize MP3 files yourself using the tools and software discussed and included on the CD-ROM with the book. Geared for beginner to experienced user, this title steps you through the history of MP3 technology, how bands and musicians can take advantage of it, and more. Besides focusing on Winamp, youll learn how to use the Xing tools to create MP3 tracks, create your own MP3 radio station with Shoutcast, and get detailed information about MP3 and Winamp high end information.
