Other details include springs and intermittent streams, caves, marinas, hotels, beaches, cultural landmarks including churches and archaeological sites, etc. On the reverse, there is a simplified map of the same area with details of hiking routes and places of interest, plus short descriptions and comments for 15 proposed hiking routes. Place names are shown in both Greek and Latin script. The informative text is in English and Greek. The map has a UTM grid and latitude and longitude margin ticks at 1 intervals. Map legend includes English.
