

The Moretti Seduction - Morettis Legacy 2 (Harlequin comics)

Antonio Moretti, who is running a prestigious motor company with his two brothers, is in distress. They tried to launch a new car, named after an F1 driver, but the family who holds the name-use right put a stop to it. These two families have a long-lasting quarrel between them. Natalie, the daughter of the CEO of Valerio Co., is sent for negotiations regarding the name-use right. Antonio becomes interested in her beauty and cold attitude. If she doesn't agree to the negotiations, the only means left for him is to seduce her. How will this love game end?
