

Southern Cross #1 Cover B Display Variant

NOW BOARDING: Southern Cross, tanker flight 73 to TITAN! Alex Braith is on board retracing her sisters steps to the refinery moon, hoping to collect her remains and find some answers. The questions keep coming though-how did her sister die? Where did her cabin mate disappear to? Who is that creep across the hall? And why does she always feel like shes being watched? Inspired by classic mysteries and weird fiction, SOUTHERN CROSS is a crucible of creeping anxiety and fear as Braith struggles with the ghosts of her past on board a ship that holds secrets best kept buried.
