

Have The Whole Boat: The Insiders Guide to Private Yacht Charter Vacations

Say goodbye to long security lines, overpriced pina coladas, and jam-packed shore excursions. Never again will your weeklong cruise vacation include jostling among crowds, squishing into a kiddie-filled swimming pool, or rushing back from a land tour in time for a pre-assigned dinner seating. Getting a bill for your wine bottle before its even uncorked? History! Have the Whole Boat introduces you to private yacht charter vacations, a fast-growing alternative to cruise ships. Private yachts used to be only for the ultra-rich, but today, more and more people can afford charter. In many cases, charters cost less per-person than cruise-ship balcony suites and you get the whole boat for your family and friends, with a crew that caters only to you. When you Have the Whole Boat, you can relax while setting sail toward whatever Caribbean island you choose. You can watch the Mediterranean coastline go by from your private hot tub. You can enjoy the worlds waters everywhere from the Alaska to the South Pacific. If youre sick of coming home tired from cruise ship trips, private yacht charter is the relaxing vacation for you. Why book another cabin? Learn how to Have the Whole Boat for yourself!
