

## Ailey Ascending: A Portrait in Motion

In celebration of the 50th anniversary of Alvin Ailey American Dance Theater, this dazzling book includes both original black and white and full-color photographs by Andrew Eccles. This acclaimed photographer has been documenting the company for the past twelve years, and his breathtakingly beautiful images capture the dancers in performance, behind-the-scenes, and in stunning portraits. With a preface by Judith Jamison, artistic director of the company since 1989, Ailey Ascending reveals the passion and beauty of this award-winning dance troupe today.
