

How to Make Historic American Costumes

Line art, halftones and patterns. An easy to use handbook that details, step by step, instructions on how to make historic American costumes and accessories for plays, pageants or musicals. For the purpose of this book we have directed our approach to simplify the construction of historic American costumes. The patterns shown have been worked out on the basis of two commercial or drafted patterns, or cut from actual garments: the simple shirtwaist for womens costumes and the pajama suit for those of men.
