

Motorcycle Journeys Through the Alps and Corsica

This third edition of Motorcycle Journeys Through the Alps and Corsica is the creme de la creme of Alpine touring now in full color. Maps, images, graphics, and witty and insightful text leave you no excuse at all not to buy this and go! Covering more area than any previous edition, author John Hermann, King of the Alps, outlines 79 trips, including more great roads in southern France right down to the Mediterranean, and more great roads on the southern slopes of the Dolomites. This is the essential resource for anyone planning or even considering a European trip on two wheels. All of the important roads and passes are described and critiqued. Every region of the Alps is covered: Switzerland, Germany, Austria, Italy, France, and even special Alpine lookalike places such as Corsica and Slovenia. Each trip has a detailed route description, easy-to-follow maps, and unique photographs, all brought to life by Hermanns informed, witty narration. Local customs, history, and amusing travel anecdotes dot every page to enrich your journey.
