

# The Art Of Comic-Book Inking 2nd Edition

Gary Martins two volumes of The Art of Comic-Book Inking have become the industry-standard manuals for aspiring inkers seeking to take their work to the next level or for working professionals looking to broaden their skills base. Now, these two textbooks have been combined into a single value-priced volume and expanded with new material, including three additional blue-lined artboards featuring pencil art by master comics illustrators Jack Kirby, John Buscema, and Gil Kane. Gain insights into the techniques, tools, and approaches of some of the finest delineators in comics today, including Terry Austin, Mark Farmer, Scott Williams, Alex Garner, and many more. When putting pen or brush to paper, no tool is more helpful than The Art of Comic-Book Inking.
