

Sci-Fi Worlds - Doctor Who, Doomwatch, Battlestar Galactica And Other Cult TV Shows

Internationally renowned blogger and writer on the paranormal, science fiction and conspiracy theories, Richard Thomas takes the reader on a tour through the galaxy of sci-fi worlds that have dominated our TV screens over the past 50 years. Along the way he interviews Nick Redfern, Nick Pope, Lex Gigeroff and others. In this fascinating ebook, Richard Thomas explores the deeper meanings behind some of our best loved TV science-fiction shows. He looks at Dr Who, Star Trek, Battlestar Galactica, Doomwatch, and many others. He explores the themes used in the programmes, from time travel to transhumanism and explains some of the hidden meanings of the visual imagery shown on screen.
