

## Terror, Inc. (Graphic Novel Pb)

Meet Mr. Terror - hes dapper, hes charming, he owns and operates his own very successful business... and, oh yeah, hes fifteen-and-a-half-centuries old and rotting fast! Doomed to decompose for all eternity, Terror forever replaces his festering limbs with fresh parts. The curse keeps him alive, but its whats left of his twelfth-century sweetheart - encased in enchanted metal and serving as his right arm - that keeps him honest. Today, Terror runs a high-stakes private eye firm - espionage, investigations and assassinations for the extremely rich and extremely powerful. But after eliminating who he was told was a very bad guy, with extreme prejudice and in his own inimitable idiom, Terror learns hes been had -- hes just murdered a major government intelligence chief. Now, with the feds on his rancid tail and whoever set him up looking to tie their loose ends, Terrors on the run to clear his name and bring down the real bad guys. But the killers know exactly who theyre dealing with, and they arent making it easy for him... Prepare for blood, guts, sex, and salvation written by David Lapham (Stray Bullets) with jaw-dropping art by Patrick Zircher (Cable & Deadpool). Collects Terror, Inc. #1-5.
