

Batman/Grendel

Complete in one volume for the first time, the acclaimed stories that pit Gotham's dark detective against the embodiment of evil, written and drawn by Grendel creator Matt Wagner! Sleepless protector of his troubled but beloved city, Batman uncovers a new threat when Hunter Rose, the original Grendel, arrives in Gotham. It is a battle of might and minds as the Dark Knight faces off against this sophisticated and deadly assassin. Years later, Batman's ceaseless vigil is disturbed once again, this time by the twisted cyborg Grendel-Prime. Seeking an artifact of terrible dimensions, Prime will stop at nothing to achieve his ends!
