

Doc Savage Annual 2014: Digital Exclusive Edition

Doc Savage and the Ghosts of War: After the recent loss of a squadmate from the war to end all wars, Doc will travel to South America to connect with an old love and reassess his place in the world. His sabbatical is anything but relaxing as Doc confronts a mysterious ghost-army, a secret league of scientists and all the dangers of an ancient death-temple. But these encounters are nothing compared to what Doc will discover about himself... a truth that will change Doc Savage forever.
