

Cloche Hat - Easy Crochet Pattern

A cloche hat is the perfect accessory for cooler days, keeping you warm without compromising on style. The hats style and shape are very flattering and offer a hint of Downton Abbey vintage flair. The completed hat measures approximately 21 (53.5 cm) in circumference, but there is plenty of stretch so it is suitable for most sizes. The cloche hat is made using light worsted (double knitting/8 ply) yarn and only requires a 2 oz skein (50 g ball) in each of the two colors to complete. The pattern is easy to follow, quite quick to make, and the finished hat looks so stylish that you will want to make more in different colors to complement any outfit.
