

Pura Vida: Two Months in Central America

This book covers a two month period, from February to April of 2015, when I traveled through Nicaragua, Costa Rica and Panama. What follows is a journal of my observations, frustrations, humor, enjoyments, and life in general while visiting Central America. I wrote about my time on the beach, leaving bags on busses, surfing in Costa Rica, getting in the ring with bulls, and meeting locals and fellow travelers along the way.
