

Three Extraordinary Women of Ukraine and One Foolish Man

Do you ever wonder about the single women of Ukraine? Are they real? Are the websites serious? Are these women really looking for love? D.W. Bauers experiences tell him yes. Three Extraordinary Women of Ukraine and One Foolish Man is a memoir of D.W.s journey in international internet dating. After a 12-year marriage ends, he experiences the thrill of meeting beautiful women online, the wonder of learning a different culture, and the excitement of a trip to Ukraine during a civil war. Throughout the story, he candidly shares his observations, foolish moments, and joys as he successfully moves from the fantasy of the internet to real world relationships.
