

Michelin THE GREEN GUIDE Sicily, 1e (THE GREEN GUIDE)

This title in the acclaimed Michelin Green Guide series covers Sicily, the largest of the Mediterranean islands. Its strategic location has attracted Greeks, Carthaginians, Romans, Byzantines, Saracens, Normans and Catalans to settle or rule. Each period has left its mark on the islands heritage and it has an exceptional legacy of fine building ranging from the great Greek theatres and temples to the splendid Norman monuments showing both Moorish and Byzantine influences.
