

Branding: From Brief to Finished Solution

This fascinating book examines the world's most innovative branding projects both with big budgets and small budgets. Branding: From Brief to Finished Solution explores the creative and technical process behind a range of international branding projects. Covering brand identity, development, extension and on-screen treatment, these highly original and innovative solutions have been drawn from around the globe to give a picture of contemporary branding practices. This is the definitive resource for anyone involved in the branding process.
