

Familia Lejana (Spanish Edition)

En el vaiven de la herencia y el destino, Una familia lejana se propaga: es la avidez corporante del deseo, son los vastagos confusos de muchos lugares empenados en recobrar a los vivos que nunca existieron y en dar cuerpo a los muertos que la sobreviviran. America en una nuez, esta novela escrita en el ritmo de la conversacion y del poema es, por cierto, algo mas que una cronica inolvidable de la muerte en familia.
