

Happier Than A Billionaire: The Sequel

Happier Than A Billionaire: The Sequel, continues the journey of one couples adventures in Costa Rica. Follow the author and her husband as they move to the beach to build their dream home. Although the seafood is fresh and the sunsets are golden, it doesnt take long for Nadine to find that this process wont come easy, even when living in one of the prettiest places on earth. In the midst of it all, Nadine entertains her parents and mother-in-law, kayaks crocodile-infested waters, and obsesses over howler monkeys that reside above her neighbors house. She also discovers that not all dreams come in the form of brick and mortar. Some appear after taking a chance when all odds are against you.
