

# Curtain Call: The Story of a Traveling Theatrical group called Erwood Big Stock Co.

Curtain Call is a historical book I wrote about my great grandmother Annie Hawthorn Tevis Erwood. Stage Name June Mora. She and the Erwood Stock Company traveled in a vaudeville circus in the late 1800s to early 1900s and made it to the big time. It was not without struggles. The times were a lot different. I included photographs and newspaper clippings that tell their tale of struggle in this kind of profession. This was a different era the vaudeville theatre. This story will be remembered as a great book.
