

Conan the Barbarian #11

Brian Wood introduces Conan to a kind of fear he's never experienced, in part two of The Death! After the salvage of a derelict ship, a terrifying illness spreads swiftly throughout the Tigris, felling Conan and his entire crew. Healthy but fearful of losing Conan, Conan seeks help in a nearby town, where the welcome he receives is just as deadly! * From Brian Wood (Northlanders) and Declan Shalvey (Dark Avengers)! * The most acclaimed Conan comics in years! Conan the Barbarian thus far has been the perfect example of how to make great comics. -Comic Book Resources
