

From Cairo to the Soudan Frontier (Classic Reprint)

Excerpt from From Cairo to the Soudan Frontier The sketches here published pretend to no other character than that of a record of impressions derived from a couple of brief tours in Egypt during the winters of 1893-4 and 1895-6. But it is hoped that their interest, such as it is - and some interest can hardly fail to attach to any truthful description of one of the most interesting countries in the world - may have been to some extent enhanced by the events of which the Nile Valley has subsequently become the scene. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
