

# Greek Street Vol. 3: Madeas Luck

On Greek Street, everything old is new again. The turf war between the Fureys and the Limms comes to a violent conclusion and poor, half-blinded Eddie is caught in the middle. Will his last act bring order to the chaos on Greek Street? Or will his life end in tragedy? Peter Milligan's re-imagining of classic Greek myths set in modern-day London comes to a shocking conclusion with a Deus Ex Machina like you've never seen before.
