

Collectors Encyclopedia of Limoges Porcelain, 3rd Edition

Mary Frank Gaston's third revised edition includes over 100 companies, including Haviland & Co., with hundreds of different marks illustrated, many not shown in the earlier editions. With almost 1,200 beautiful full color photographs, this book contains more than twice as many pictures as the second edition, over 75% being new examples. A new format presents the history, marks, examples, and values together under each Limoges company for an easy to use reference. A section on Limoges miniatures, not discussed in previous editions, has been added. 2005 values.
