

## Punisher War Journal (2006-2009) #11

In Washington D.C., someone wants to have words with Frank about his recent patriotic costume change- the Winter Soldier himself, Bucky Barnes! On a houseboat in the Florida Everglades, G.W. Bridge goes head-to-head with Tony Stark to negotiate the terms of his return to S.H.I.E.L.D. Is it his surrender? And in a psychiatric hospital, Ian the Fake Cop Hero of Times Square has an epically strange chat with his epically unconventional therapist about heroes and villains.
