

Its a Boy!: Your Sons Development from Birth to Age 18

Its a Boy! provides expert advice on the developmental, psychological, social, emotional, and academic life of boys from infancy through the teen years. Exploring the many ways in which boys strive for masculinity and attempt to define themselves, psychologist Michael Thompson, Ph.D., a leading international expert on boys development, and journalist Teresa H. Barker identify the key developmental transitions that mark a boys psychological growth and emotional health, and the challenges both boys and parents face at each age. Baby Boys (birth to 18 months): falling in love with your son, healthy attachment, trust, and temperament Toddler Years (18 months to 3 years): boys on the go, bold steps, blankies, budding language, and rambunctious physicality Powerful Little Boys (ages 3 and 4): superhero ambitions, learning to manage the force of his anger, and celebrating the power of the boy group Starting School (ages 5 through 7): developmental cues for school readiness, transitional challenges, tough talk, tender hearts, and first friends Boys on a Mission (ages 8 through 10): striving for mastery in sports, organizing the boy brain for school success, and glaring academic gender gaps The Preteen (ages 11 through 13): puberty, posturing, and popularity, the culture of cruelty, and stoic silence in the middle school years Early High School (ages 14 and 15): powerful peer groups, sexuality, the shift away from Mom, and yearning for Dads respect and attention On the Brink of Manhood (ages 16 through 18): the quest for independence, sex, love, driving, drinking, and other challenges of life Practical, insightful, and engaging, Its a Boy! is the definitive guide to raising boys in todays world, revealing with humor, compassion, and joy all the infinite varieties of boys and the profound ways in which we love them.
