

Robocop vs. Terminator Gallery Edition

One of the most highly-regarded comics crossovers of all time is back to usher in the new Dark Horse Gallery Edition format reprinting Walter Simonson's original art exactly as it appeared on his drawing table twenty years ago! Relive Simonson and writer Frank Miller's seamless blend of the RoboCop and Terminator worlds while marveling at the sheer virtuosity of Simonson's draftsmanship in all its original glory. In addition to the full story, this edition provides the greatest insight available into Simonson's process, with pages of his original pencils and promotional art faithfully reproduced, along with a revealing foreword by the artist himself!
