

The Craft and Art of Clay

The Craft and Art of Clay, by leading ceramics teacher Susan Peterson, is the most comprehensive available guide to modern ceramics, packed with step-by-step illustrations of ceramic techniques to guide the beginner as well as inspirational ceramic pieces from contemporary potters from around the world. This completely revised fourth edition contains more than 150 new illustrations and includes profiles of key ceramists who have influenced the field, new material on marketing ceramics on the internet, and added coverage of paperclays, using gold, and alternative glazes. This is the one book no ceramist, whether novice or expert, can do without.
