

Trade Fair Design Annual 2011 / 2012

Latest trade fair presentations of international brands. The authors again have selected more than 50 trade fair stands from German-speaking countries for this year's annual. Prime criteria for inclusion are the overall idea and the quality of the design, but of course also a functioning infrastructure, the presentation of the exhibits or services as well as materials, lighting, colour concept, graphics and the realisation of the brand philosophy. Exceptional trade fair design for Adidas, Creation Baumann, Daimler, Gaggenau, Panasonic, Philips GmbH, UB Lighting, Vitra among others.
