

Think Color: Rooms to Live In

Renowned for her sense of color, sumptuous collections of fabrics and home furnishings, and now a complete line of bed and bath products, Tricia Guild reveals the secrets behind her approach to design in Think Color. For the first time, Tricia herself explains how she brings a room to life, from the initial assessment of atmosphere and dimension through her choice of color, materials, and furniture, right down to the finishing touches such as flowers, cushions, and trimmings. Guiding the reader first-person through her design process, she offers insight into using color to create mood and reveals the sources of her inspiration. This lavishly produced book showcases more than 200 color-drenched photographs featuring gorgeous interiors and highlighting exceptional details. With bountiful insight from a truly exceptional talent, Think Color is an energetic and vital celebration of contemporary home decor.
