

Making Scrapbooks: Complete Guide to Preserving Your Treasured Memories

Shows you how to turn precious memories into a beautiful book to treasure forever, with every page of your memory album overflowing with excitement & color. Develop the tone & style that's just right for your book with the wide variety of available papers, pens, & plastic helps you'll discover here. You'll even learn how to calculate page measurements & crop your pictures to create the best possible design. Have fun experimenting with circle cutters, clip art, color wheels, die cuts, stickers, templates, frames, embossing paper, fusible applique, & numerous painting techniques. Even make your own interactive pop-up pictures. Hundreds of color illustrations.
