

To the Harbor Light: Lighthouses of Marthas Vineyard, Nantucket, and Cape Cod

You have never seen a lighthouse book like this. Photographer Alison Shaw captures the lighthouses of Marthas Vineyard, Nantucket, and Cape Cod in her distinctive and beautiful style. She has turned each of the 20 lighthouses into pieces of art. The book includes an introduction written by a lighthouse historian, tips on seeing the lighthouses, and historical facts about lighthouses that you'll find nowhere else. This is a combination art book and practical guide.
