

Wolverine by Mark Millar Omnibus (Marvel Omnibus)

Superstar writer Mark (KICK-ASS, ULTIMATES) Millars two classic Wolverine epics are collected in one gorgeously illustrated hardcover! When Wolverine is brainwashed by Hand ninjas, he slices and dices his way through friends and foes alike, carving a swath of terror through the Marvel Universe - and ultimately resulting in an X-Mans death! Finally captured and deprogrammed, Wolverine swears vengeance against his tormentors...and the vengeance of Wolverine is a wonder to behold. Then: nobody knows what happened the night the heroes fell, but the bad guys have been calling the shots ever since. What happened to Wolverine is the biggest mystery of all. For 50 years, no one has heard from him...and in his place stands an old man called Logan. All-out action from the mind of Mark Millar! COLLECTING: Wolverine 20-32, Wolverine 66-72, Wolverine Giant -Size Old Man Logan
