

Travel Map Vienna (Globetrotter Travel: Vienna)

The highly successful Globetrotter Travel Series, which includes Travel Maps and Road Atlases, presently covers over 80 destinations worldwide. This handy pocket-size guide is packed with useful information, tips and recommendations, accompanied by colour photographs, charts and maps for the first-time traveller who wants to experience the major highlights that Barbados has to offer. This travel book surpasses other guides in that it incorporates essential information in an easy-to-carry and easy-to-read format that is attractive and useful at the same time. It provides a visitor with an invaluable introduction to Barbados by concisely highlighting must see areas in a practical and user-friendly format, thus encouraging the tourist to make the most of his/her available time. All the essential information you need to get around an unfamiliar area is compacted into useful and practical At-a-Glance sections at the end of each chapter. The fold-out map of Barbados is ideal for tourists and visitors. In addition to the main map of Barbados, which highlights scenic routes, it features 2 full-colour town plans.
