

Deceivers

An American Hustle style tale from the creator of 2 GUNS! Lincoln McCord and Prince Adony Zaruka are two American con men living abroad in Europe, posing as an oil magnate and the descendant of long-lost royalty to live the high life by leeching off the European elite. But when an international thief begins wreaking havoc on their marks, the deceivers are enlisted by a rogue CIA agent to help entrap him. Everybody loves a good underdog story, and were no exception. Make that double for your classic Robin Hood-style steal from the rich, give to the poor yarns. DECEIVERS is a globetrotting espionage action/comedy populated by charming, clever con-artists who play their lives through a thrilling sleight of hand. Perfect for fans of films like American Hustle, Catch Me if You Can, and the Oceans 11 series.
