

Danny Clinch

Danny Clinch has established himself as a premier photographer of the popular music scene, photographing a wide range of artists from Johnny Cash and Tupac Shakur to Bjork and Dave Matthews. His photos have appeared on hundreds of album covers, as well as in publications such as Vanity Fair, Spin, Rolling Stone, and the New Yorker, and his ad campaigns for John Varvatos have adorned city streets and billboards. This lavish monograph chronicles Danny Clinch's illustrious career with more than 200 photographs of the most important musicians of all time, along with his personal anecdotes and a written contribution by Bruce Springsteen. With images ranging from backstage shots at the Grammys to intimate candids, *Still Moving* is the ultimate gift for music lovers.
