

Ultimate Comics X-Men By Nick Spencer - Volume 1

The biggest mutant cover-up has gone public as the true history of the X-Genes is revealed. The United States government has been outed as the X-Genes creator and mutants have been branded terrorists. As an identity crisis rocks the mutant world, the mistrust between man and X-Man gets deeper ... and it is in this insanity that the X-Men emerge. Who are the X-Men? and how will they fare in a world where they are criminals? Will these outlaw mutants be willing to defend mankind, when all of humanity cries out for their imprisonment?
