

The Shadow: Midnight in Moscow #6 (of 6): Digital Exclusive Edition

The doomsday clock tolls for mankind--and only one man can save both nuclear powers from Armageddon in the breathless final chapter of what may be the SHADOWS final adventure. With The Shadow: Midnight in Moscow, Chaykin returns to the character that made his career in grand style, displaying that underneath the icon, there is still just an artist who wants to tell an entertaining story. Its an amazing time to be a Chaykin fan. - Newsarama
