

Viva El Tango!: The Tango Piano Tutor (for Piano)

Collatti shares a lifetime love of the tango with piano students in Viva el Tango! In 25 (mostly) original pieces, he introduces pianists to tango performance, beginning with the easy Mi primer Tango (with both hands within a 5-note range), and progresses through more complex rhythm and technique. With tips and notes about each piece, Viva el Tango! also includes a CD of performances for listening and learning. For intermediate to advanced.
