

HARDBODIES EXPOSED - Volume 2

The fit and fabulous athletic female body is a new icon of the 21st century. These women add to the beauty and erotic appeal of the body a new sculptural quality as they exercise and diet to turn their physiques into living art. HARDBODIES EXPOSED: Volume 2 features nude, semi-nude and revealing gallery-quality photos of some of the best of these women - bodybuilding, fitness and figure competitors, and amazing Amazons. There are also essays dealing with the emergence of this kind of body in our contemporary culture, the obstacles these women face and what kind of special sexual and erotic appeal they represent.
