

The Artists Sketchbook (Quarto Book)

Sketching requires only the most basic tools to get started and is immediately accessible to anyone who has the desire. It is a simple yet rewarding exercise, serving as the foundation of all artistic pursuits. This illuminating guide draws on the vast experience of established artists to give readers a rich variety of working methods and topics that will guide and encourage their sketching ability. Artists of all skill levels will benefit from exercises that show them how to:

- * Sharpen powers of observation and analysis
- * Capture movement through line
- * Set up powerful compositions
- * Render tiny details that breathe life into a sketch
- * Use sketches as the basis of strong paintings
