Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside The German War Some Sidelights and Reflections: Look inside the book: Even our most bitter traducers, when asked to give any definite historical reasons for their dislike, were compelled to put forward such ludicrous Pg 3 excuses as that the British had abandoned the Prussian King in the year 1761, quite oblivious of the fact that the same Prussian King had abandoned his own allies in the same war under far more damaging circumstances, acting up to his own motto that no promises are binding where the vital interests of a State are in question. ...Besides, one imagined that civilisation and Christianity did stand for something, and that it was inconceivable that a nation with pretensions to either the one or the other could at this date of the worlds history lend itself to a cold-blooded, barbarous conspiracy by which it built up its strength for a number of years with the intention of falling at a fitting moment upon its neighbours, without any cause of quarrel save a general desire for aggrandisement. About Arthur Conan Doyle, the Author: Sir Arthur Ignatius Conan Doyle DL (22 May 1859- 7 July 1930) was a Scottish physician and writer, most noted for his stories about the

detective Sherlock Holmes, generally considered milestones in the field of crime fiction, and for the adventures of Professor Challenger. ...Categories: Arthur Conan DoyleDeputy Lieutenants of SurreyMarylebone Cricket Club cricketersAlumni of the University of EdinburghPeople educated at Stonyhurst CollegeScottish Roman CatholicsPeople from EdinburghPeople connected with PlymouthScottish crime fiction writersScottish fantasy writersScottish childrens writersScottish dramatists and playwrightsScottish essayistsScottish mystery writersScottish novelistsScottish science fiction writersScottish short story writersScottish poetsScottish memoiristsScottish non-fiction writersScottish historical novelistsScottish politiciansScottish medical doctorsSpiritualistsAnglo-ScotsScottish people of Irish descentKnights BachelorLegion of Frontiersmen members1859 births1930 deathsVictorian novelistsPeople of the Edwardian eraDeaths from myocardial infarctionWriters of historical fiction set in Modern AgeScottish occult writersMysticsLiberal Unionist Party politiciansKnights of Grace of the Order of St JohnScottish cricketersMythopoeic writers
