

The Complete Guide to Washington Quarters

The first and only book ever devoted to the Washington Quarter series. A must read for anyone interested in this popular and underrated series of U.S. coins. Includes: a history of the series; biography of George Washington and coin designer John Flanagan; grading guide to mint state and proof Washington quarters; detailed date-by-date analysis in both mint state and proof condition; a discussion of the George Washington medals; altered and counterfeit coinage; gallery of errors.
