

Spike: Shadow Puppets

Angel once put a stop to an evil childrens show, but not before being turned into a puppet during his fight. Now, fresh out of the Asylum, its Spikes turn! Writer Brian Lynch and artist Franco Urru (Spike: Asylum) are reunited in this collection that sees Spike and Lorne heading off to Japan to stop the latest Japanese kids show... Smile Time! Will they become puppetized themselves? And along the way, find themselves in a fight with hundreds of ninja-puppets, reuniting with fellow Asylum inmates, and be at extreme odds with one other?
