

Mothers Keepsake Journal

Mothers and those buying gifts for mothers were delighted when Mary Engelbreit created A Mothers Journal 11 years ago. Finally, they had a way to contemplate, capture, and remember all the special moments and details that make motherhood such a rich experience. Marys trademark illustrations and heartwarming designs were just what they needed. Despite the challenge of making a best-seller better, A Mothers Keepsake Journal does exactly that. Mary listened to her readers and created the new volume to capture dreams and memories better than ever before. Thought-provoking entries include: As a child, one thing you loved to do more than any other: I hope if you have kids theyre just like you in the way they: A Mothers Keepsake Journal is a natural for Marys growing legion of fans. Already theyre snapping up the 14 million greeting cards that appear annually with Engelbreit aphorisms, witty sayings, and quotations. They love her books, calendars, and home-decor items. And Marys magazine, Mary Engelbreits Home Companion, now boasts a circulation greater than 600,000. Add another winner to the collection!
