

Living in Style Vienna

While Vienna is dominated by the splendor its cultural offerings from times past, it has also been successful in establishing a foothold in the present. A UNESCO World Heritage Site, its Old Town features architectural treasures from the Middle Ages, Baroque, and Art Nouveau eras. Tourists wander in amazement throughout the city, marveling at this metropolis incredible beauty and imagining what lies behind its historical and modern facades. Vienna isnt only defined by the breathtaking St. Stephens Cathedral, the imperial Schonbrunn Palace, or its world-famous Spanish Riding School. Living in Style Vienna reveals every facet of how and where Viennas most prominent residents make themselves at home. The reader is invited into ultra-modern lofts as well as sophisticated old-town residences. With stunning photography and informative texts, Living in Style Vienna hews how this European city transforms the art of living into a museum-worthy accomplishment.
