

Sams Teach Yourself e-Music Today

Sams Teach Yourself e-Music Today is an easily accessible resource to the online music industry and MP3 players. You will learn the basics of MP3, including how to install, find and download software and files. The book also teaches you how to edit and manage files in order to create custom effects. But the book goes beyond merely discussing the technology and its applications; it also shows how to launch a music career by posting MP3 files to leading Web sites. Further, the book will show you how to use the Internet as a resource to learn more about your favorite artists and styles of music.
