

## HIS CONVENIENT FIANCEE (Harlequin comics)

On the verge of tears, personal assistant Taryn makes for the elevator. Just moments ago, she quit her job after her trusted boss kissed her in a moment of weakness. Never would Taryn have dreamed that the man she meets in the elevator would become her next boss. Jake Nash, CEO of industry leader Nash Corporation, hires her for a temporary secretary position with a promise not to mix love and work. Its a hard job, but Taryn is thrilled to be working at such a top- tier company. However, one day she has a sudden revelation: shes falling for her boss!.
