

The Libya Connection (The Executioner/Mack Bolan #48)

Mack is mad as all hell. This time, all the stops were out. Mack Bolan became a single-minded, death-spewing avenger the minute Eve disappeared.... Someone he cared about, Eve had been swallowed up by the voracious blood thirst of international terror. Bolan stalked the savages responsible deep into the labyrinth of double-dealing and betrayal that marks modern terrorism. The hunt took him from the lush Caribbean to the scorching Sahara in pursuit of the Libyan connection that held the fate of civilization in its grasp. For The Executioner, it was the toughest mission yet, fueled by the most righteous revenge. Anyone who got in his way...was dead.
